Corporate Profile

Forward Pharma A/S is a Danish biopharmaceutical company that commenced development in 2005 of FP187[®], a proprietary formulation of DMF for the treatment of inflammatory and neurological indications. The Company granted to Biogen an irrevocable license to all of its IP through the recent Settlement and License Agreement and received from Biogen a non-refundable cash fee of \$1.25 billion in February 2017, with the return of EUR 917.7 million to shareholders through a capital reduction in September 2017. The Company has the opportunity to receive royalties from Biogen on sales of Tecfidera[®] or other DMF products for MS, dependent on, among other things, successfully appealing the U.S. interference and a favorable outcome in Europe with respect to the EP2801355 Opposition Proceedings, including any appeal thereto.
