## Forward Pharma Announces the Decision of the Technical Board of Appeal of the European Patent Office in the EP2801355 Appeal Hearing

COPENHAGEN, Denmark, Sept. 06, 2021 (GLOBE NEWSWIRE) -- Forward Pharma A/S (NASDAQ:FWP) (“we,” “Forward” or the “Company”), today announced that the Technical Board of Appeal (the “TBA”) of the European Patent Office (the “EPO”) has dismissed Forward’s appeal of the previous decision of the EPO Opposition Division to revoke the EP2801355 patent (the “355 patent”) following the oral hearing.

The TBA made its decision after considering Forward’s appeal against the decision of the Opposition Division and third-party submissions from several opponents. The TBA will issue detailed reasons for the decision in written form in due course, and following receipt and review of these, Forward will announce future plans for the Company. Such plan may involve a petition for review at the Enlarged Board of Appeal of the EPO in an effort to overturn the unfavorable outcome, but the likelihood of a petition for review being successful is low. The denial of a petition for review would end the Opposition Proceeding in favor of the opponents. For all practical purposes, such denial or the absence of a petition for review would represent an unsuccessful outcome of the Opposition Proceeding, resulting in no royalties being due to the Company from Biogen based on Biogen’s future net sales outside the United States, as defined in the Settlement and License Agreement by and among Forward, subsidiaries of Biogen Inc. and certain other parties thereto.
